

# Home Delivery Bags

## Applications

- Grocery stores
- Retail stores
- Bakeries
- Farmers markets
- Restaurants

## Features & Benefits

- Great solution for curbside pick-up, home delivery, or carryout
- Flat bottom design and heavy gauge allow for bags to stand up and stay open while loading
- Handles designed to fit most of the grocery totes used for in-store packing
- Great puncture resistance
- Reusable and recyclable
- Options available to be compliant with multi- use bag government ordinances and post- consumer recycled (PCR) content minimums (CA SB2710, WA SB5323)
- Non-allergic and non-toxic materials
- Custom print available in multiple sizes and film colors
- Gauges are from 1.5 to 4 mil bags
